## **About Cyber Crime Awareness Society (CCAS)**

CCAS has team of professional Cyber Security Experts, Forensic Experts, Investigators and Lawyers. Cyber Crime Awareness Society came to limelight when solved the famous “GoldSukh” Case and made the several hacking claims including working with the intelligence agencies against terrorists. Subsequently, CCAS started offering cyber security and law consultation services.

### **Achievements:**

- CCAS has the most experienced Cyber Crime Investigators, Cyber Lawyers, Cyber Forensic Experts and Security Auditors.
- CCAS has earned a huge name the world of Internet Security and Cyber Crime Investigations.
- CCAS is the 1<sup>st</sup> NGO in India based on Cyber Crime Investigation and Consultation.
- CCAS has several volunteers who hold several designations like Certified Ethical Hackers, Cyber Crime Investigators, Cyber Lawyers, Red Hat Certified System Administrators and Red Hat Certified Engineers.
- CCAS presently providing services to Rajasthan Police Academy, Bureau of Police Research & Development, Central Detective Training Institute, Central Bureau of Investigation and Anti Terrorist Squad.
- CCAS handled more than 8000+ cases related to Cyber Crime.
- Has delivers more than 700+ seminars regarding Cyber Crime Awareness in Schools/ Colleges and Government organizations.
- Has founded and reported some serious loopholes in websites related to the government.
- With more than 180 successful projects already under their name raging from Penetration Testing, Website and epub development.

- Has started the web portal with MTV to provide the platform to the victims where they heard and justice will be provided : <http://mtv.in.com/webbed>
- Has started a series "Webbed" on MTV channel in association with Viacom18.

### CCAS Establishment

- In the 2009, CCAS (Cyber Crime Awareness Society) was mere an idea, but it grew gradually to what it is today. And those dreams belong to its Founder **Mr. Milind Agarwal**. It is true that "Those who dream the most, Do the most".

### Public Services

- Cyber Crime Awareness Society has worked with **Rajasthan Police** on Cyber Crime Cases and handled above 8000+ cases in Rajasthan since 2009 and has also worked **CBI, Intelligence Bureau, Central Detective Training Institute and Bureau of Police Research and Development**.

## Trainings

- CCAS serving lectures in Rajasthan Police Academy, Security Training School, Officers Training School, providing workshops and seminars in many colleges of India on Ethical Hacking.

## Print Media

- Today , in this ultra modern world, the role of media and particularly Print Media has been augmenting day bu day. Media has been serving as a vigilant watchdog of India.
- Print Media has helped Cyber Crime Awareness Society to spread more and more awareness among the people regarding their rights, duties and Cyber Crimes.
- Without the help of media it is very difficult for someone to serve the nation with their knowledge and skills. Cyber Crime Awareness Society always does this social cause of spreading awareness about cyber crimes and threats with the help of media.

## Securing the Government Bodies

- Living in a world where network is increasing too frequently, from personal banking to government infrastructure. Protecting these networks is not just an option, it is the prior requirement as Cyber risk is now firmly at the top of the international agenda as high profile breaches raise fears that hack attacks and other security failures could endanger the global economy.

## Importance of Cyber Security

- The internet has become the integral part of today's world.
- From communicating through instant messages and emails to banking, travelling, studying and shopping, internet has touched every aspect of life.
- As use of internet is increasing with high speed and confidential information is on internet now days, protecting important information has become necessity.

## Seminars for Student

- CCAS delivering seminar at schools and colleges to spread awareness regarding Cyber Crime.
- These seminars are fully loaded with necessary information about cyber crime and how to safeguard themselves from being a victim of cyber crime.
- CCAS providing seminars which are completely interactive and helpful for students.
- In these seminars students and faculties get to know the possible threats that can happen with them in future.
